

phme21

TURIN - 28 June / 2 July 2021

6TH EUROPEAN CONFERENCE OF THE PROGNOSTICS AND HEALTH MANAGEMENT SOCIETY 2021

The Prognostics and Health Management Society (PHM Society) is a non-profit organization dedicated to the advancement of PHM as an engineering discipline. It serves industry, academia and government leaders in this international community.

Due to the current virus situation, the conference will be at least a virtual event (5 days, June 28 - July 2), building on our past success with 660 registrants for PHME20. Anticipating a safer situation by next summer we hope for a physical event in Turin Italy (3 days, June 30 - July 2). We also have ideas for a contingency plan for local gatherings in major centres to facilitate building our community if meeting in Turin is not possible. These options will be pursued as the situation changes, but the virtual event is assured.

Sponsorship packages are designed to offer organizations high visibility and recognition in all Society activities throughout the year, and especially during the Conference. Join past sponsors MathWorks, NVIDIA, GoDataDriven, Predict, PwC, Mainnovation, NS, Meggitt, SAE International, Alstom, SAFRAN, and Teknova.

See content and activities information at <http://www.phmeurope.org>.

Why sponsor PHME21?

PHME21 is a dedicated opportunity to:

- Improve your visibility;
- Promote your services and/or products;
- Prospect for new clients;
- Attract new talents;
- Be involved in state of the art research and innovation;
- Distinguish yourself from competitors.

All sponsorships include:

- Signage recognition at sponsored event;
- Acknowledgement at the beginning of each general session;
- Recognition in the printed program;
- Recognition on the conference website and the mobile app (name, logo, company description, link to web site);
- Invitations to the appreciation dinner (subject to availability).
